Contemporary Warmth

Gravy desk lamp

Designers
Kenneth Ng, Edmund Ng

Good Design Award 2019
Spark Award 2013

Invite the warmth of wood and light to your home or office. Gravy's head emits warm white light and swivels 360°. The wood bar slides back and forth to provide adjustable light placement. This striking combination of real wood, aluminum and a braided fabric cord is perfect in any setting.

Lumens: 375
 Footcandles: 100
 Lux: 1076
 Energy Consumption: 5.5 W
 Rated Lifespan: 50,000 hours
 Color Temperature: Warm: 3,500 K
 Color Rendering Index (CRI) : 90
 Brightness Adjustability: Continuous dimming
 Material: Aluminum, plastic
 Safety Rating: C-UL-US Certified
 Warranty: 5 years
 Voltage: 100-240 V
 Standard Finishes: Maple/Silver, White Oak/Matte White, Walnut/Matte White
 Cord: Braided

Maple/Silver; White cord — GR1-W-MPW-SIL-DSK
 White Oak/Matte White; Blue cord — GR1-W-WOB-MWT-DSK
 Oiled Walnut/Matte White; Red cord — GR1-W-WNR-MWT-DSK

Finishes/Cord Color

Maple / Silver; White cord

White Oak / Matte White; Blue cord

Walnut / Matte White; Red cord

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Concept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.

Concept's portable task lighting products provide more than three lighting levels that occupants can easily adjust to suit their needs. Furthermore, all Concept lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provide the opportunity to reduce overhead lighting.

Photometrics: Light source placed 12.75" away from work surface
