ENDLESS SOFA SYSTEM

ENDLESS

INNOVATIVE COMFORT

ENDLESS

Endless is an innovative element in the Fjords collection. This is a robust, stylish and spacious sofa with lots of comfortable seating and soft pillows that invite relaxation and rest. The Endless range is offered as a complete modular system, with a host of modules and sizes to allow you to tailor the perfect sofa for your room. The expression can also vary depending on whether you want a more classic feel with a wooden leg, or a modern urban look with a steel sled leg. With the Endless sofa you get design, style and flexibility!

ENDLESS

The Endless chair is spacious and soft with optimal seating comfort, perfect for relaxing with your feet up.

Settle in and enjoy the comfort!

FURNITURE OF THE HIGHEST QUALITY

Our furniture is built with a combination of old world craftsmanship and new modern tools and materials. All our upholstered furniture has laminated wood frames, steel springs in the seat and a selected pillow quality that provides outstanding seating comfort and quality.

ENDLESS SOFA SERIES

Endless modules in leather will have a center seam on the seat and back cushion. Modules in fabric do not have center seams on the cushions.
